

# Silviculture Research Study: Regeneration on Prepared and Natural Seedbeds in Clearcut, 50% and 75 % Retention Treatments

Lead by: Derek Sidders

Theme: White Spruce Regeneration

Status: Continuing

Start: 1998

## Participants

- Diane Carlson
- Tomasz Gradowski
- Tim Keddy
- Kim Lambe
- Derek Sidders

## Background

n/a

## Objectives

To establish and monitor response of seedlings (artificial and natural) on prepared and natural seedbeds within clearcut, 50% and 75% retention treatments.

## Key Results

n/a
